

NORTHEAST OKLAHOMA

SCROLLERS

VOLUME #54 AUGUST 2007

www.northeastoklahomascrollers.com/

The next meeting of the NorthEast Oklahoma Scrollers will be at 7 pm, August 2nd at Irv McGuire's shop. His shop is located on the southwest corner of 11th & Yale, next to Talley's Cafe. Park around the back and come in the door marked McGuire's music. Remember to bring your chair.

The July meeting was held June 28th because of the 4th of July falling too close to our meeting date. We had 17 members and guests present and from all accounts it was a great meeting. (I was on the rack and couldn't make it.)

Cora Mehm started her question and answer program and reported that there was a lively discussion over some of the issues that were brought up. If you enjoyed it please email her at cora42tul@aol.com, or call her at 918-250-3517 if you think of a question that is bothering you- only about scrolling!!!-or

have a tip that would help the other members.

Along those same lines, if you have an idea for a program or any idea that would help the club don't hesitate to call Don Judd, our president. His number is 1-918-333-5394.

If you have something you would like to put in the newsletter call me at 1-918-250-3517. Also call if you have any ideas on how to improve the newsletter. More on that later.

SHOW AND TELL:

The number of participants was down for show and tell but the quality was as high as ever.

Granvel M. brought in three Kokopelli, and a lizard clock made from corian. If you want to find out how to work corian talk to him

Peter O. had a clock cut into a willow slab with hand painted numbers

Paul T. showed his version of the DiVinci puzzle and a Celtic cross that he cut.
Don J. brought a Golden Anniversary plaque.
Cora M. showed a framed hand fan that she stack cut.

I realize that the descriptions I give are very vague, but I just want all the people who go to the trouble to show us what they are working on get the credit they are due. If you REALLY want to see their work you MUST come to the meetings- or look for them on our website.

THE PREZ SEZ or JUDD'S JOLLY JOTTINGS:

“Greetings from Bartlesville.

I want to thank Cora for her program on questions about scrolling last month. She did an excellent job of researching and finding the answers to a lot of questions.

I think we had a couple of people at the WWoW show that were interested in scrolling. (Ed. Note, we had we had 11 sign up to receive a copy of the newsletter)

We want to thank Irv for the use of his music shop for our meetings for the last 2 months.

Get started, if you have not already started, on your eagle for “Eaglemania” in September.

See you on August 2 for our next meeting.

Don”

CLUB DUES ARE NOW PAST DUE!!!

If you have not paid your 2007 dues please bring them to the August meeting or mail them to: Cora Mehm, 8708 S. 73 E. Ave., Tulsa, OK. 74133 If you pay by check you MUST make it out to her. The club doesn't have a bank account and she cannot cash them and turn the money into our treasurer if her name isn't on them.

The booth at the Wonderful World of Wood was a great success. We had people stopping by and showing interest in us. In fact we have one new member, Charles McCray. I talked to Charles last month and got to meet him at the show. Be sure

to say hello when you meet him at the meeting. In fact, we may have more scrollers show up so be on your good behavior. Wear shoes to the meeting. Come to the meeting sober. Make sure you fly is buttoned or zipped. Comb your hair. Don't pick your nose. After they have come a few times we can show our real side.

The show wouldn't have been a success without certain people. The booth workers, Jerry Duis, Granvel Mays, Roger Hogg, Ken Rankin, Joyce Rankin, Don Judd, Bill Jones, Steve Holland, Martha Ort, Peter Ort, and Sallie Crawford. Special thanks to Cora Mehm for ramrodding the booth. And a VERY special thanks to Jim Wilkens. He made a slew of refrigerator magnets for us to give away at the show. They really went over big and drew people to the booth.

CLUB DUES ARE NOW PAST DUE!!

Don't forget "Eaglemania". It will be here in no time. Any kind of eagle, scrolled, fretted, segmented, intarsiaed. Just have one for the big contest. Who knows what fabulous award you may win?

If you notice on the first page this is issue 54. When I hit #60 someone else will have to take over the newsletter. I will

have done it for 5 years and it is starting to become a chore, not a pleasure. I will be glad to help whoever takes over.

I guess that is all the news for this month. Remember, keep the teeth pointing down unless you like to hear the wood applauding you.

Also, CLUB DUES ARE PAST DUE!!!

Just got a newsletter from our Branson brothers and sisters. They are holding their annual picnic September 15th and they have invited us to join them. I will have more information for you at the meeting. Be prepared to let me know if you are planning to go. I am sure they will want a headcount
