Jerry brought something to show and tell. It was an 8” drill press which had been reconstructed to enable him to drill holes 9” away. A machinist friend of his cut a piece of it and extended the arm. Everyone thought that would be a very handy thing to have and wanted him to put it in the raffle. Jerry declined.

Ed John will be going to Ohio for the SAW picnic in July. He will put up a table/display for our club. Judy is also going and has put together some items for him to take. Anyone who has some can send some projects.

Member news: Clara Grundman has been undergoing therapy for lung cancer and was unable to make the meeting.

Treasurer's report was given by Irv.

The report on the Grapevine show is that it was a good one, excellent for a first show. Ken and Joyce enjoyed the seminars, particularly one done on portraits by Kevin Daley.

Other shows coming up at Hogs and Hotrods in Collinsville on main street. That took place on the 14th of June. Bartlesville Sunfest was on the 7th of June.

Next Meeting: July 3, the first Thursday, at **Irv's shop near 11th and Yale, at 7:00 pm**. Park behind the building and enter through the back door.

The meeting was adjourned and everyone continued talking. It was a good time together.

Jerry wanted everyone to know that the Tulsa State Fair is coming up. Applications need to be submitted soon. Projects must be taken there in mid-August and left there until the fair. He will bring more information to the August meeting.

Also, Martha wants you to know that she will be out of town for the September meeting and will need someone to take minutes for her. She will not return until mid-month so would be willing to complete them then, unless someone else would like to do the whole thing.

See you then!
